ACTION REQUIRED: REFERENCES
25X1A2d3

Reference: PCRA-3750, dated 11 October 1963

1. In response to the referenced dispatch, I am enclosing the following maps:

Map No. 22102 - Communist China: Airfield and Bomplane Station Locations, SECRET, 18 copies

Map No. 27040 - Korea: Terrain and Transportation, UNCLASSIFIED, 3 copies

2. The referenced dispatch requested twelve copies of Map No. 22102. We have included eighteen copies because along side of the map itself is a list of air facilities in Communist China. Six copies of a chart depicting this information were requested in the reference. Since the listing, included as part of Map No. 22102, is the only such chart we have, we are sending six extra copies of the map to fulfill this portion of your request.

3. Permission to pass these maps to the components indicated in the reference has been granted. We would like to advise, however, that some of the information presented in Map No. 22102 may be outdated. Therefore, the value of passing it is questionable. Should you still decide to make this map available, we should like to be informed.
